Re: Filing of Amendment No. 4 ("Amendment") dated December 23, 1980, to Bailment Agreement and Assignment of Leases ("Bailment Agreement") dated as of June 10, 1980, between North American Car Corporation ("NAC") and Manufacturers National Bank of Detroit, as Owner-Trustee.

Dear Secretary:

Enclosed for recording under 49 U.S.C. §11303 are six executed counterparts of the Amendment. The Amendment amends Article 4 of the Bailment Agreement to delete the equipment described in the Amendment from the provisions only of that Article which grants NAC a purchase money security interest in various equipment. That equipment is not released from the other terms and conditions of the Bailment Agreement. The Bailment Agreement was recorded with the Interstate Commerce Commission on July 23, 1980, as Document No. 12031.

NAC's address is 222 South Riverside Plaza, Chicago, IL 60606. The address of Manufacturers National Bank of Detroit, as Owner-Trustee under The American Road Owner Trust No. 2 is 100 Renaissance Center, Detroit, MI 48243, ATTN: Corporate Agencies Administration.

Also enclosed is a check payable to the Interstate Commerce Commission in the amount of \$10 as the recording fee for the Amendment.

Pursuant to the Commission's rules and regulations for the recording of certain documents under 49 U.S.C. §11303 you are hereby requested to duly file two of the enclosed counterparts for record in your office and to return the remaining four counterparts, together with the Secretary's Certificate of Recording, to the messenger making this delivery.

If you have any questions, please contact me.

Very truly yours,

By
